

To Avoid Getting Towed

Use the map below to identify safe parking.

Our neighbors need to access their spaces.

Our spaces are always safe to use when visiting St. Mary's.

The parking lots in the quadrant diagonal from ours are safe after 5 PM and on weekends.

The other lots are not available to us.

There is plenty of on-street parking and it's free after 6 PM and on Sundays.

Thank you for helping St. Mary's be a kind neighbor.
